### Notes

- Where there is more than one owner of a racing yacht, one owner must pay the Yacht Owner Racing membership fee (\$225) to cover safety inspection, race entry fee of the yacht, etc.), and the other owner must pay the Yacht Co-owner Racing membership fee (\$175) if the co-owner is racing. If the co-owner is not racing and wishes to have 'yacht owner status' then the Yacht Owner – Not Racing fee is payable (\$110). A maximum of two members may be recorded as owners of the one yacht.
- The Board is also concerned that all persons who participate regularly in the activities of the Club, and in particular in its sailing activities, should be properly classified financial members of the Club. The Board wishes to encourage people into sailing and appreciates that skippers may occasionally invite non-members or Social members to participate in some races. **However, it is required that regular crew (i.e. persons sailing in more than three races in the summer and winter programs must be members of the Club in the appropriate racing membership category or junior members. Loss of race points may apply if a yacht is found to be in breach of this requirement at the discretion of the Race Committee.**
- Persons holding current YA membership may be granted a reduction in membership fees equal to the value of the YA membership on production of their current YA membership card.
