

Just to further clarify what you need to do for your equipment audit

Read your Category Inspection Form (it is on our webpage and in the Clubhouse)

Read it again with your new rule book alongside you!

Tick the boxes for the things that you know are right on your yacht

Fix the ones that aren't.

Don't throw out your old gear (It may be handy one day)

Check your medical kit, (It is a bit different from the old one)

Get a copy of your insurance form and attach it to your audit form.

Fill in the indemnity form (on the web or in the Clubhouse)

Fill in the entry form for the Summer Series.(on the web or in the Clubhouse)

Bring all of the above with you when you have your audit appointment..
