## Spring/Summer Season Off and Running!

After a blustery Opening Day Race/Cruise to the 2018/19 Spring/Summer season we welcomed members and guests back to the Club to warm up and share stories.

A draw was held for all skippers present and a free Mooring Service from [M&J Marine Services](#) was won by David Simm (*Chilli*). Congratulations David!

For more information on mooring services available check out our information page at <https://www.psync.com.au/resources/mooring-services/>.

## Media Liaison Policy

The Board recently implemented a Media Liaison Policy. The aim of the policy is to clarify the respective roles and responsibilities of the Board and members and clearly delineate between personal opinions and PSYC communications.

Members are required to make themselves aware of the requirements of the Policy and to abide by its conditions.

For any further information, please consult a Board Member.

## Looking for Crew or Looking to Crew?

We encourage all members who are looking for crew or who are looking to crew to go to the MySail or SailConnect and register your details.

We are aware of several yachts looking for crew at the moment and this is the best way to link those who need crew with those who want to crew. Both Skippers and those looking to crew need to register. We suggest you do so in both applications.

For more information check out our crew page at <https://www.psyc.com.au/crewing-register/>
