Notes

*Youth Membership is for full-time students, 18-25 years of age, who are financially dependent on their parents or carers. A copy of a current student card must be presented.

** Country Membership is for crew living outside the Port Stephens Council, City of Newcastle and Maitland City Council areas who sail 12 or fewer times a year in Port Stephens Yacht Club races.

1. PSYC membership year runs from 1 September to 31 August each year in-line with the sailing season.
2. Renewing members are to pay the fee for the full year regardless of when they pay.
3. If two or more members are owners of a boat one owner must pay the Yacht Owner membership fee (\$300). The other owner(s) may choose to register as Yacht Owners or Crew Members.
4. The Board is concerned that all persons who participate regularly in the activities of the Club, and in particular in its sailing activities, should be properly classified financial members of the Club. The Board wishes to encourage people into sailing and appreciates that skippers may occasionally invite non-members or Social members to participate in some races. **However, it is required that regular crew (i.e. persons sailing in more than three races a year) must be members of the Club in the appropriate racing membership category (i.e. Boat Owner, Crew, Youth, Junior or Country). If a yacht is found to be in breach of this requirement loss of race points may apply at the discretion of the Race Committee.**
